

Wireless Router and Service Agreement

Customer understands and agrees that the Wireless Router cost is \$35.00 to purchase or \$7.00 per month to lease. All routers are under a 90-day warranty. Lightning damage, negligent handling, improper care and use are some of the conditions not covered by the warranty.

Leased routers are property of Citizens Telephone Company and that said router will be returned in good condition if service is discontinued for any reason. There will be a \$50.00 charge if the leased router is not returned.

Citizens Telephone Co., Inc will charge a \$35.00 Residential/Business installation fee for router or a \$50 fee when installed with new DSL service.

Customer understands and agrees that he/she must maintain an active Sowega.Net Internet account at all times while router is under lease.

Customer understands and agrees to abide by Sowega.Net operating rules at all times.
